STANDARDS

Under the Federal Magistrates Act ("Act"), as amended, the court may "accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate judge." 28 U.S.C. § 636(b)(1). If a party objects to a magistrate judge's F&R, "the court shall make a de novo determination of those portions of the report or specified proposed findings or recommendations to which objection is made." *Id.* But the court is not required to review, de novo or under any other standard, the factual or legal conclusions of the F&R to which no objections are addressed. *See Thomas v. Arn*, 474 U.S. 140, 149–50 (1985); *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003) (en banc). Nevertheless, the Act "does not preclude further review by the district judge, sua sponte" whether de novo or under another standard. *Thomas*, 474 U.S. at 154.

No party having filed objections, this Court has reviewed the F&R and accepts Judge Acosta's conclusions. The F&R, ECF 18, is adopted in full. Plaintiff's Motion for Default Judgment, ECF 13, is GRANTED.

IT IS SO ORDERED.

DATED this 3rd day of November, 2021.
